**Vishal Rajendra Bonde,**

We are pleased to offer you a **Six-month** internship opportunity at TestYantra as an **Intern**, starting from **1st Jan 2025 To 31st Jun 2025**. You will report to Nirbhay Dhawale at our Deccan, Pune unit. As a Developer Intern, your responsibilities will include assisting in software development, writing and debugging code, collaborating with the development team, and contributing to the overall improvement of our software solutions.

You are expected to adhere to company policies and maintain confidentiality regarding all company matters. This internship is designed to provide you with hands-on experience in software development, allowing you to enhance your technical skills and gain valuable industry exposure. We believe your contributions will be meaningful, and we are excited to support your professional growth.

If you have any questions or need further information, please feel free to reach out to Nirbhay Dhawale at [nirbhay.d@testyantra.com](mailto:nirbhay.d@testyantra.com).

We look forward to welcoming you to TestYantra and wish you success in your new role.
